**RULE ADOPTION**

**DIVISION OF FIRE SAFETY**

**NOTICE OF ADMINISTRATIVE CORRECTION**

**UNIFORM FIRE CODE**

**PERMITS REQUIRED**

**N.J.A.C. 5:70-2.7**

Take notice that the Office of Administrative Law has discovered an error in N.J.A.C. 5:70-5.7(a). In the course of the proposal and adoption of amendments to this section in 2002, the first sentence phrase “by reason of which a use is required” was published inadvertently omitting the term “a use.” See 34 N.J.R. 2636(a) and 3958(a). This omission was continued into the text of the Administrative Code through the 11/18/02 Code update. This notice of administrative correction, published pursuant to N.J.A.C. 1:30-2.7, rectifies this omission.

Full text of the corrected rule follows :

**5:70-2.7 Permits required**

(a) Permits shall be required and obtained from the local enforcement agency for the activities specified in this section, except where they are an integral part of a process or activity by reason of which a use is required to be registered and regulated as a life hazard use. Permits shall at all times be kept in the premises designated therein and shall at all times be subject to inspection by the fire official.
